

MATARROMERA

Matarromera Gran Reserva 2011 D.O. Ribera del Duero

Matarromera Gran Reserva leads Matarromera's line of excellent classic wines. This wine is aged for 24 months in the finest French and American oak barrels, medium to lightly toasted, to merely accentuate its already exceptionally intense blueberry aromas. It then rests for three long years in the bottle, to make it a true gem of a Matarromera aged wine.

Nestled in the authentic San Román plots that adorn the surroundings of Bodega Matarromera, on a steep southern incline of the chalky terraces eroded by the Douro, we find these fine black fruits. Their elegant concentration of Indian ink is subtly accompanied by smooth notes of clean leather and mild Gran Reserva tobacco. Its excellent palate has all the virtues of the great Duero de Matarromera wines, with magnificent persistence in its ample structure of elegant sweet and mature tannins.

BODEGA MATARROMERA
Oenologist: Félix González

Technical Director: Alberto Guadarrama

Vintage 2011

A moderate winter with a short period of frosts and little rain. Mild spring, moderately rainy, with a warm finish. A mild, dry start to the summer that ended in intense heat and pronounced dryness. Excellent harvesting conditions at the start of October; good maturation due to the high temperatures and good sanitary conditions due to the absence of rain.

Vineyard

San Román is one of the most emblematic Matarromera vineyards, as it surrounds the winery. Is it located in the Valbuena de Duero municipality and ascends the flank of the hill. La Finca de las Celadillas is situated in Olivares de Duero, very close to the winery. Both plots, planted with espaliered Tempranillo grapes, produce Matarromera Gran Reserva.

Technical data

Format 750ml

Origin of the wine

Name of the vineyard	Finca de Las Celadillas and San Román
Location	Olivares and Valbuena de Duero
Surface	6,10 has
Type of vineyard	trellised vineyard
Soil texture	franc limestone
Elaboration	traditional in reds
Altitude	790-740
Production/ha	Limited to 3.500 kg/ha
Orientation	south
Slope	10-20%
Years of Plantation	1993

Elaboration

Variety	100% Tempranillo
Harvest	October
First Harvest	1.996
Bottles	22.000
Fermentation	10-14 days in inox (28°C)
Aging	24m in oak barrel and 36 in bottle
Alcohol	15%
Acidity	5,10 g/l

Suggestions

Conservation	Keep in a cool, dry place. Avoid sunlight.
Temperature	Drink at 16-18°C

Bodega Matarromera

Bodega Matarromera is rooted in Valbuena de Duero, birthplace of Tempranillo in the Ribera del Duero. Founded in 1988 on the flank of hill that faces the midday sun, the serene Douro River can be seen from the winery itself. This welcoming winery is the perfect place to produce aged wines. The conditions in its semi-buried warehouses are perfect for creating wines where the balance between the oak and the Tempranillo grape takes the limelight. The first Bodega Matarromera vintage won the Gold Medal at the International Wine Competition. This was an incredible starting point for a story replete with success.
